

Entry Door Hardware

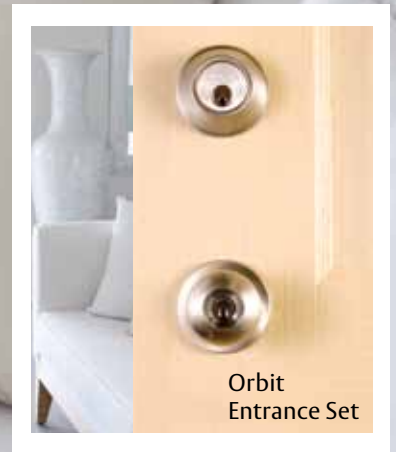

With a style to match your home...

Make a great first impression at the entrance to your home using the Securcraft Residential Door Hardware range.

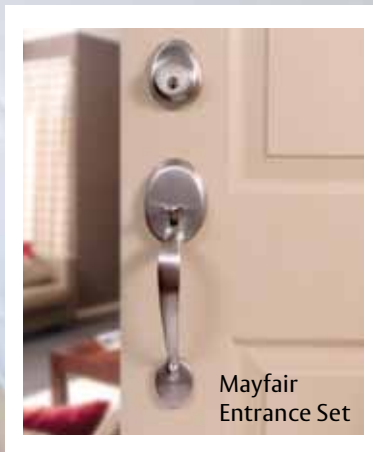

Your front door is the first thing that people see when visiting your home and this is your chance to make a statement. For an elegant entrance choose the classical Mayfair handle set or create impact with the modern Capri set. For a more traditional look select a combo set - one of the knob or lever locksets, in combination with a deadbolt for added security.

ASSA ABLOY

Aria Furniture Range

A solution you can rely on...

Aria is a style developed by ASSA ABLOY that has been fashioned into a contemporary and versatile furniture range. With sleek styling complementary to modern joinery, the Aria range is encompassed by a number of ASSA ABLOY's window and door hardware products. Providing both internal and external hardware solutions and with an array of colour finishes available, co-ordination of aesthetics throughout the home is easy.

Made in New Zealand, the Aria range of window and door furniture is designed with uncompromised value and manufactured from high quality materials for premium security.

Aria Hinged Door Handle

Sleek design...

This stylish door handle has proven a popular choice for new homes and renovations. Created by our innovative team of designers in conjunction with valuable customer feedback, the result combines a modern look with superior function for your entire home. The Aria lever combines with a number of different rose or plate styles to complement your aluminium or timber joinery.

Aria Endeavour Sliding Door Lock

Security and style...

The modern Aria Endeavour Sliding Door Lock is feature packed with enhanced security and safety features, offering style and peace of mind for you and your family. The convenient red indicator activates when the lock is key-deadlocked, so you can see at a glance if the door is securely deadlocked. For added convenience, the Aria Endeavour Sliding Door Lock can also be keyed-alike to other ASSA ABLOY locks in your home for easy one-key access. Tried and tested, this sliding door lock exceeds the AS4145:1993 Australasian Standard for safety, security and durability.

Aria Wedgeless Fastener

Safer, easier ventilation...

With its innovative wedgeless design this quality window fastener from ASSA ABLOY has the styling features of Aria and complements modern joinery. Designed in high and low profile options, this fastener covers a range of applications, from the awning window in a kitchen to the window that sits behind an open sliding door. This fastener can also be matched to other products throughout your home such as a venting window fastener or even your door handle simply by using the same Aria styled fastener.
